people of the country.

personal liberty, should be backing Manhattan, A. J. Klampt, Rhyolite, such a bill, Mr. Christensen says alcohol is a poison and that the state should forbid and regulate its use just as it does in the case of other recognized poisons.

Until the late temperate legislation went into effect, Denmark, had depended upon education to fight the evils of intemperance, and this is the first time the advocates of the prohibition movement have O. Buffohr, F. H.; Burke, John J. sought government regulation of the liquor traffic.

It is believed that the people will acquiesce in the proposed legislation in spite of the alleged attack on personal liberty, which they feel J.; Harrison, S. W.; Hallburg, Mrs must be limited for the benefit of the community.

MUSICAL PROGRAM

subscribers to the summer band con- Frank; Young, Mrs. Julia M. certs the seventh of the series will take place tomorrow evening at the lower station on Main street at 7:30 o'clock, weather permitting. The following program of music will be of-

fered. March, "The Aviators," H. F. Neil-

## A GOOD METHOD

Many prudent business men make it a rule to deposit every cent of their receipts in a bank.

In this way they have in their pass books a complete record of t'eir cash sales, and in the stubs of the check book a complete record of expenditures. The cancelled checks are receipts for all payments.
